Tables for the Alignment of KAU GAs and The Academic Programs at KAU

Table 1: Alignment between KAU graduate attributes and Program X graduate attributes

	KAU graduate attributes	**Program X graduate attributes**

Table 2: Alignment between Program X mission and Program X graduate attributes

Attributes/Mission Dimensions							

Table 3: Alignment between program x goals and Program X graduate attributes

Attributes/ program X Goals	Goal 1	Goal 2	Goal 3

Table 4: Matrix for the alignment between Program X graduate attributes and program learning outcomes of Program X

Graduate Attributes	Program Learning Outcomes (PLOs)																		
	Knowledge & understanding							Skills							Values, Autonomy and responsibility				
	1.1	1.2	1.3	1.4	1.5	1.6	1.7	2.1	2.2	2.3	2.4	2.5	2.6	2.7	4.1	4.2	4.3	4.4	4.5
.																			

Table 5: Matrix for the alignment between Program X graduate attributes and courses covered in program X

Graduate Attributes	Course Code and Number																	

Table 6: Framework for the alignment between Program graduate attributes and Teaching and Assessment methods.

Competent

Novice → **Expert**

Graduate Attributes		Preparatory Year	Speciality Year	Field Experience/ Internship
Attribute#	Teaching strategies			
	Assessment Strategies			
Attribute#	Teaching strategies			
	Assessment Strategies
